TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Rajdeep Das**, has made significant Open Source Contribution in our program called GirlScript Summer Of Code 2020 from 1st March 2020 to 31st May 2020. We found him/her sincere, hardworking, technically sound and result oriented during his/her tenure. Rajdeep has a sense of responsibility, maturity beyond his/her age, understanding with the team makes him/her universally acceptable and he/she gets along with all. His/Her Work output is positively influenced by his/her strength in communication and task-orientation.

GirlScript Summer of Code is an international program to help beginners take their first steps in the world of open source development. The projects are listed on <https://gssoc.tech> website and the program also has impacted 5000+ learners, mentors, project admins and contributors. If you need detailed feedback, you can directly write to us on community@girlscript.tech for further details.

We wish them all the best in their future endeavours.

Best regards,
