GeeksforGeeks

Hey Techie,   Mon, March 23, 2020

You won hearts in the Technical Scripter Event.

Heartiest Congratulations Rajdeep!

You did wonders with your pen and wrote marvellous article(s) in the Technical Scripter Event. The article(s) you scripted will actually help millions of geeks around the world!

We at **GeeksforGeeks**, thank you for your contribution and also we feel glad to tell you that you have secured **44th position** in the **Technical Scripter Event 2019-20**.

We are extremely thankful for your participation in making this event successful. Keep learning, keep writing and we are here to share your knowledge with millions.
